

## **ADVANCED LIFE SUPPORT DIVISION SUPERVISOR POSITION**

Southern Chester County Emergency Medical Services, Inc has an immediate opening for an Advanced Life Support Supervisor. This position requires a paramedic with strong advanced life support clinical skills as well as proven experience in management and leadership. The ALS Supervisor is responsible for the daily operations of the MEDIC 94 units. Duties include employee scheduling, QA/CQI, payroll processing, equipment and supply ordering, safety, compliance and regulatory review, EMS training for staff as well as community organizations, representing the organization at local, county and state meetings, incident management and providing planned and unplanned staffing needs. The ALS Supervisor must be a strong team builder with the various liaison responsibilities both internal and external to the organization.

### Position Requirements

- Pennsylvania certified EMT-paramedic (NREMT preferred)
- 3+ years 9-1-1 ALS experience
- Bachelors Degree
- Valid drivers license
- CPR (Instructor preferred)
- ACLS (Instructor preferred)
- PALS (Instructor preferred)
- HazMat Operations Level
- EVOC
- NIMS 100, 200 and 700 (NIMS 300 and 400 preferred)
- Ability to pass a background check, driving record check and medical screening exam and drug screen
