

# Paramedic Opportunity

## POSITION SUMMARY:

eCareGroup is seeking Paramedics to fill a full-time and part-time position in our newly opening Telemedicine Clinic in the Canonsburg PA area. The Paramedic will be responsible for all daily operations of the clinic. They will work with our online Physicians to assess and treat patients. The Paramedic will work as the hands of the Physician during patient assessments using an Otoscope, Dermoscope and digital Stethoscope. Our technology allows the Physician, Patient and Paramedic to see and hear each other during each patient session.

- **This position will be Monday through Friday 8am – 4pm.**
- **No nights**
- **No weekends**

Interested individuals may send a resume to:

Charlie LeClair  
Director of Clinical Operations for Medicine at Work
